

SBG BRUSH GRAPPLE

**EASILY HANDLE LARGE LOADS
WITH A WHEEL LOADER**

Rockland Brush Grapples are perfect for handling brush, logging debris, trash, and other sizable material with a wheel loader. The brush grapple's dual cylinder design provides tremendous gripping power to hold bulky loads in place.

The Rockland Brush Grapple features a tough, rugged design made to handle your application. With a Rockland Brush Grapple, you can carry a maximum amount of material every pass - reducing fuel cost and cutting down on machine wear and tear.

To find out more about Rockland Brush Handling Grapples or to discuss your specific application, please call us at 800-458-3773.
