

EXTENDED WARRANTIES

PROTECT YOUR EQUIPMENT

Rockland Manufacturing offers extended warranties on all Rockland construction equipment. The Rockland extended warranty plan is straightforward and economical. For an additional five percent, Rockland will double the standard warranty on your product.

DOUBLE THE FACTORY WARRANTY FOR ONLY 5% MORE!

Computing the value of an extended warranty is simple. A Rockland hydraulic thumb that costs \$3,000 has a standard factory warranty of 1 year or 2,000 hours. With the extended warranty the thumb is covered for 2 years or 4,000 hours. The total cost of the extended warranty is only 150 dollars! (5% of \$3,000 = \$150) \$150 will protect your \$3,000 dollar investment for 2 years and shield your operation from unexpected costs.

AVAILABLE FOR ANY PRODUCT

Rockland extended warranties are available for any Rockland construction equipment that does not already carry a lifetime guarantee.
