

# SR GRAPPLE RAKES

A QUALITY RAKE FOR SKID STEER LOADERS

## DON'T SETTLE FOR LESS THAN THE BEST!

A Rockland SR Grapple Rake will turn your skid steer loader into the ideal material handling, land clearing, and truck loading machine! With a Rockland SR Grapple Rake you can do all sorts of demolition, material handling, and land clearing work, and dramatically increase machine utilization. That adds up to more income per machine.

Rockland SR Grapple Rakes are designed to perform and built to last. Rockland's reputation for quality guarantees that your skid steer loader will perform day after day without losing valuable time tending to aggravating small repairs because of poor quality. Rockland *quality* features will keep you going and justify your investment in a *quality* Rockland SR Grapple Rake.

### FEATURES THAT MAKE A DIFFERENCE!

- Improved approach angle for better loading
- Sealed pins and replaceable bushings at all pivot points
- No snag hose routing
- Rugged cylinder guards
- Protected grease fittings
- Easy access rear hose guard
- 1 year, 2000 hour Rockland warranty
- 72" and 84" models
- In stock
- Extended warranties

# No Snag Hose Routing Eliminates Pinch and Hose Damage

Rockland no snag hose routing eliminates pinching and hose damage. Even when clamps are open - the hoses never "pooch out" towards the operator. This eliminates snagging and damage.

Rear hydraulic lines are 100% protected with a heavy-duty cover.

No snag hose routing, heavy-duty guards, and sealed pins and bushings all combine to eliminate costly downtime.

## BUYER BEWARE!

When choosing a grapple rake, be sure to look for the features mentioned below - they will save you money, time, and aggravation. Whichever brand you select, be sure that *your bottom line* is the one that matters most! Here are the features to look for:

- Sealed pins and bushings – **NOT** rusty bolts and flame cut holes
- No snag hose routing AND quality fittings
- Clamps that prevent cylinders from bottoming out
- Cylinder guards covering all cylinder hoses
- An easy loading profile
- A dependable warranty
- High-strength alloy teeth
- Heavy-duty frame

## OPTIONS

*Get it your way!*

- Flat tines
- Grapple buckets
- Linked clamps
- And more!

SR Grapple Rake with flat tines.
